FLOOR!T®

THE WOODEN FLOOR

Extra long castle planks

COLLECTION

ART XXL

COLLECTION **ART XXL**
Product structure and technical data

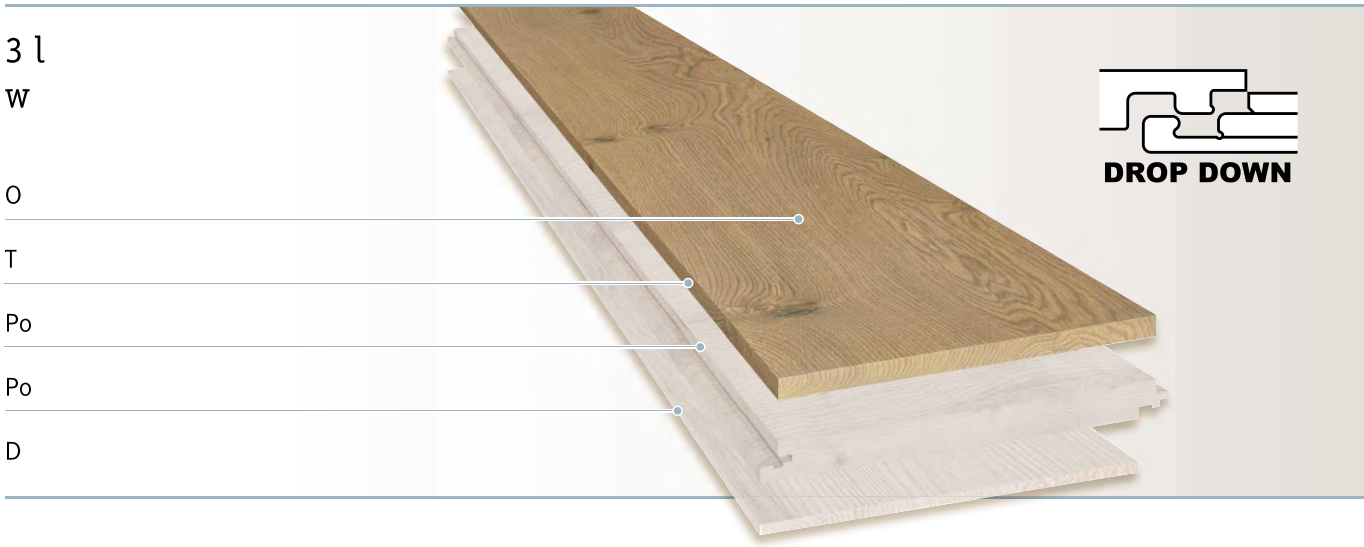
The **Art XXL Collection** offers beautiful oak floorboards in extra long format.

The special dimension 260 x 2,800 mm demands the highest precision in production and laying and is the epitome of exclusive and high-quality living. The large surface area of the planks, with only a few elements, characterizes every room-filling architecture.

The appearance is characterized by a unique interplay of knots, Grain and cracks on the expressive oak floorboards. The result is a lively floor with a natural shine and noble feel.

The safest installation of parquet is guaranteed by full-surface gluing. Thanks to the patented drop-down connection, however, the floors from the **Art XXL Collection** can also be laid simply as a floating floor.

There are four surfaces to choose from, all of which are oiled ready for living.



Specification
Oak wooden 1-strip flooring

Grading
Rustikal: knotty appearance with cracks and sapwood

Surface
Coated with oxidative natural oil

Thermal conductivity
0.14 W/mK

Thermal transmittance
0.12 m^2 K/W

SAFETOP®
TECHNOLOGY

SafeTop® technology stands for highest standards in surface processing. It ist the perfect finishing to fulfil the wish for a natural raw timber effect.

The oxidative oiled surface is extremely matte and conserves the natural optics without any intensification. The flooring has an end finishing and can be used directly a er the installation.
