COLLECTION NEW LIFETIME

Product structure and technical data

The **NEW Lifetime collection** offers beautiful wood looks in short plank format. A total of four colour variants in oak wood are available. The brushed surfaces support the extraordinary appearance and make the flooring surface look even more authentic. Each element comes through four-sided bevelled edges particularly well.

In addition, the surfaces are treated with natural oil ready for living and can be laid quickly and easily thanks to the patented drop-down-click connection.
